

Application for admission to the aptitude process
Master Healthy and Sustainable Buildings

I hereby declare that I agree to take part in the admission procedure to determine my suitability for the Master's degree programme "Healthy and Sustainable Buildings" at the Deggendorf Institute of Technology and that the necessary data will be recorded and passed on to the persons involved in the process.

I am aware that this "application for admission to the aptitude process" does not guarantee admission to the entrance exam or degree programme.

After the official application deadline, the most suitable applicants will receive an invitation to the official aptitude test by e-mail.
