<sup>1</sup> The person in charge of the module in the semester in which the application is submitted is responsible for recognition.

<sup>2</sup> In general a recognition is only possible if no assessment has been taken place for this course.

<sup>3</sup> All applications for a credit transfer must be completed within the first semester at DIT before the start of the exam period.

<sup>4</sup> If a different grading system exists abroad, DIT will convert the grade to the German grading system.
